Mission Statement

Northwest Juniors Volleyball Club is committed to providing opportunities for young athletes at all levels of development to engage in quality, competitive experiences. We are dedicated to the idea that any player, regardless of size or skill level, who wants to participate in the USAV Junior Volleyball Program, should be given that opportunity.

A competitive athletic experience can instill good work habits, enhance social development, contribute to mental and physical health, and teach values of personal responsibility, self-discipline, self-motivation, and teamwork. Participation in junior volleyball also improves the athlete's opportunity to realize the goals of:

- *Improving individual skills and ability to play and contribute as a member of a team.*
- *Earning or keeping a position on the school varsity volleyball team.*
- *Earning a college scholarship.*

Each of the above goals involves individual player growth. This includes improvement in skill level AND in the mental outlook necessary to be a successful member of a volleyball team. The **Northwest Juniors** philosophy regarding player growth is simple; one must play to improve.

NW Juniors Elite VBC was founded in 2009 to give local athletes who are motivated to play volleyball at the collegiate level an opportunity to excel, receive advanced training, and gain exposure for their hard work and dedication.

We do this by providing an environment where these motivated athletes will be exposed to high levels of training with an emphasis on fundamentals and sportsmanship, be given opportunities to compete with the best teams in the country, and offer them the tools to be successful. Among the tools we will provide:

- Training in systems of play used by the greatest teams in the world
- Tools to promote themselves to college recruiters
- An understanding of the importance of goal setting in developing the whole athlete and belief that in order to be successful, they must have a roadmap to success
- Promote leadership and teach the importance of team unity
- Stress the importance of personal discipline, organizational skills, time management, and character building
