Club Director, Tony Miranda

- 3 years (1997 – 1999) as Assistant Director of the Northwest Volleyball Center.

For the 2010 USAV season, **Northwest Juniors Volleyball Club** was 18 teams strong!!! We are very proud of the players, coaches and administration this season. As our mission statement reads, we are dedicated to players of all skill levels; to that end, we have five teams in our ELITE program (*NW Juniors Elite VBC*) that compete at or near the top of the region (U17, U16's, two U15, U14), and 13 teams in our NW Juniors program, comprised of teams of varying skill-levels and ages (U12 – U17) in the Eastside, Edmonds, and Kent areas.

Most area clubs are restricted to selecting only "all-stars". We feel that we can provide an environment for "all-stars" through our Elite programs in Bellevue and Edmonds -- and at the same time provide opportunities for future all-stars through our NW Juniors team program in Bellevue, Edmonds, and Kent. We are excited about our program this year and look forward to the changes that will occur in years to come in upgrading our Elite programs and providing more opportunities for the younger age groups.
